

<u>Activities</u>	<u>Explanation</u>	<u>Possible Time</u>	<u>Notes</u>
1 - Gathering ingredients	Ingredients: - 800 ml broth - 200 g grain rice - 1 onion - 70 g butter - a stick cinnamon - 4-5 cloves	30 min.	Purchasing from market
2 - Chopping onion and cloves		4 min.	
3 - Rinse & drain rice		2 min	
4 - Heating the pot	Put it in low heat	2 min	~time indicates the waiting time.
5 - Melt the butter		0.5 min	
6 - Add chopped onion and cook		15 min	Cook onion until it is transparent
7 - Add cinnamon, rice and cloves		0.5 min	
8 - Turn the heat up and cook		1.5 min	Mix while cooking
9 - Add broth		0.25 min	
10 - Cover the pot with its cover and wait		18-20 min	Check after 15 minutes to see if the med is cooked.

Possible Improvements

Since our performance measure is time, we can change steps so that it takes less time.

- Purchasing from online market (step 1)
- Chopping onion and cloves with a kitchen robot (step 2)
- Cook when the oven is high heat (step 6)
- Get someone to help so that step 2-3-4 are parallel.
