REMEMBER TO CONSULT TO THIS DOCUMENT FIRST FOR ANY ACTIVITY IN THIS COURSE!

This is the general schedule for IE 477. You should follow this closely not to miss any deadline. Although very unlikely, the dates and times are subject to change. Any new information that supersedes this document will be announced in advance by the course coordinators or teaching assistants.

Abbreviations: Academic Advisor (AA), Industrial Advisor (IA), Course Coordinator (CC), Teaching Assistant (TA), Contact Person (CP), Bilwrite (BW).

GROUPS Each group must be composed of seven students, one of whom will be the contact person (CP) of the group. This student is expected to handle all the communication between the group and the TAs, CCs, etc. CPs must be available to respond to urgent emails and phone calls promptly. **CCs reserve the right to change the CPs if a deficiency in communication is observed on a repeated fashion.**

- Sep 16 by 17:30:** CPs must fill the online **team information form**. Students with no group or groups of **less than seven students** will inform the TAs via the course email. You should add the IE Restricted Elective courses you are taking this semester as well as the ones you took before. Form will be available online on Sep 16 at 15:30 on the course web page.
- Sep 23 by 17:30:** CPs must send a **weekly time schedule** that shows the time slots of the university (from 8:30 to 22:00), and for each time slot, the number of group members that are available. (Form on the course web page.) Note that internships, part-time jobs and other social activities are not counted as a reason for being busy.
- Sep 23 by 17:30:** CPs must submit the **project preferences list** (will be sent to the CPs).
- Sep 23 by 17:30:** CPs must submit a **cover letter** outlining their group's strengths and weaknesses and why they are a good fit for the project they wanted the most. Email this letter and weekly time schedule to the TAs.

When the project assignments are finalized, each group will be assigned an academic advisor (AA) – who is a faculty member, a course coordinator (CC) and a teaching assistant (TA) – who is one of the assistants from the list above. The company providing the project will assign an Industrial Advisor (IA) overseeing the project at the company. Note that, a TA is responsible for course related issues like report collection, presentation organization, etc. They are also instrumental in giving you directions with respect to who to see, what to read in case you have a problem. Except highly unlikely situations, these assignments will not change throughout the academic year.

GRADING Your group's final letter grade will be based on your performance in your project, reports, meetings and presentations. Note that, although this is a group work, group members may receive different letter grades. This is based on the feedback CCs will receive from your AA and IA, as well as CC's assessment of your individual or group performance. You may be questioned personally during the CC meetings. In addition, peer evaluation is a fundamental decision criterion in grading.

PEER EVALUATIONS Two peer evaluations will be performed during Fall semester (**Nov 18 and Dec 23**). Please be aware that peer evaluation is a part of the assessment criteria of this course.

REPORTS, MEETINGS AND PRESENTATIONS

In this semester, you will submit two reports that must be written using the $\text{\LaTeX}$ template available on the course web page.

- **Project Proposal Report**
- **First Progress Report**

Also, you will have four meetings/presentations:

1. **Kick-off Meeting** (Oct 3 – Oct 21) Participants: AA, IA, CC
2. **Project Proposal Meeting and Presentation** (Oct 31 – Nov 18) Participants: AA, IA, CC
3. **First Coordinator Meeting** (Nov 23 – Nov 28) Participants: All CCs
4. **Second Coordinator Meeting** (Jan 10 – Jan 11, 2023) Participants: All CCs

KICK-OFF MEETING You will meet your IA and other company officials and will have an opportunity to discuss the scope of the project. It is vital that you gather necessary information about the project and the expectations of the company as this info will be your basis for the project proposal.

Tentative Date: Your TA will begin the process of scheduling for the Kick-off Meeting, which is expected to take place **after Oct 3 and not later than Oct 21**. Depending on the date you have your Kick-off, the deadlines of the project proposal report and the project proposal presentation will be determined. It is strongly recommended that you have your Kick-off meeting and hence your project proposal as early as possible since the calendar for the rest of the semester is very tight and the progress you will make until the end of the semester is crucial on the outcomes you will get next semester!

Check out the document titled *Suggested Contents for the Project Proposal Report* as well as documents related to report writing and the report format available on course web page.

Project Proposal Report Due: 28 days after your Kick-off meeting (including Saturdays and Sundays – this means the due date might be a Saturday or a Sunday). Email the $\text{\LaTeX}$ link of your final version from Hoboken to your AA, CC, TA and IA. Upload your draft with feedback to the link provided via email.

Check out the document titled *Information on the Proposal Meeting and Presentation* for details.

LANGUAGE OF COMMUNICATION All reports (except the cover pages in the booklet in spring semester) will be in English. All presentations to course coordinators will be in English except for the one at the end of the spring semester. However, presentations for the company officials (unless they ask for English) and the project fair presentation will be in Turkish. Therefore, you should have at least two group members who can present in Turkish.

UPLOAD AND RESERVATION GUIDELINES Check your project short-code from the course web site and include it in all filenames and reservation texts. Files with missing project short-codes will be rejected. For **Bilwrite feedback**, use the **course code (IE 477)** and your **project's short-code** for your reservation.

PROJECT MANAGEMENT SYSTEM All project related tasks, task assignments, meeting minutes must be entered into the project management system. Check out the document titled *Information on the Project Management System* for details. (Project Management System is available at <https://project.ie.bilkent.edu.tr>)

PROFESSIONALISM Being organized and punctual are among the key success factors in this course. A sloppy report or presentation, being late to a meeting, or failing to meet the deadlines are things we will not tolerate. If we observe unprofessional behavior, this will be reflected to your group's or to your individual letter grade.

PERSONAL CONFLICTS If you observe any problems within the group related to communication, workload share, etc, you should try to resolve it yourself first. If unsuccessful, then you should consult as a group (all members) to Ms. Yeşim Gülseren or to your CC. Do not wait until the end of the semester.

PART-TIME JOBS, INTERNSHIPS Working part-time during the semesters is highly discouraged for all students. In addition, due to potential conflicts of interest, students cannot be assigned to an IE 477 - IE 478 project received from a company where they work part-time or do internship. This also applies to students who plan to work part-time or do internship later in Fall and Spring semesters. Students must inform the CC about any potential conflict prior to the project assignments. Failure to adhere to this rule will result in an FZ grade for these students.

¹ Do not upload any ZIP files to Bluesky!
