REMEMBER TO CONSULT TO THIS DOCUMENT FIRST FOR ANY ACTIVITY IN THIS COURSE!

This is the general schedule for Fall Semester. You should follow this closely not to miss any deadline. Although very unlikely, the dates and times are subject to change. Any new information that supersedes this document will be announced in advance by the course coordinators or teaching assistants.

Abbreviations: Academic Advisor (AA), Industrial Advisor (IA), Course Coordinator (CC), Teaching Assistant (TA), Contact Person (CP), Bilwrite (BW).

PROJECT ASSIGNMENTS

In the first two weeks, you will be forming your groups and submitting forms needed for the project assignments.

GROUPS FORMED (Sep 18 by 17:30)

Each group must be composed of seven students, one of whom will be the contact person (CP) of the group. This student is expected to handle all the communication between the group and the TAs, CCs, etc. CPs must be available to respond to urgent emails and phone calls promptly. **CCs reserve the right to change the CPs if a deficiency in communication is observed on a repeated fashion.** Students with no group or groups of **less than seven students** will inform the TAs via the course email.

TEAM INFORMATION FORM (Sep 18 by 17:30)

Each group must fill the online **team information form**. You should add the IE Restricted Elective courses you are taking this semester as well as the ones you took before. Form will be available online on Sep 18 at 15:30 on the course web page. Only one submission per group is needed.

DISCLOSURE OF INTERNSHIP AND PART-TIME WORK FORM (Sep 18 by 17:30 followed by approval on Sep 20)

Working part-time during the semesters is highly discouraged for all students. Additionally, students must inform the CCs about any potential conflicts of interest prior to the project assignments using the **disclosure of internship and part-time work form** available on the course web page and submit the pdf version **without signatures** to the course TAs via email on Sep 18 by 17:30. You must fill in the form electronically (No handwritten forms will be accepted). You will be reserved a time slot on **Friday, Sep 20** to sign the form with all of the group members present. Failure to correctly disclose this information will result in an FZ grade for these students.

WEEKLY TIME SCHEDULE (Sep 25 by 17:30)

CPs must send a **weekly time schedule** that shows the time slots of the university (from 8:30 to 22:00), and for each time slot, the number of group members that are available. (Form on the course web page). Note that internships, part-time jobs and other social activities are not counted as a reason for being busy.

▪ **PROJECT PREFERENCES LIST (Sep 25 by 17:30)**

CPs must submit the **project preferences list** (Submission link will be sent to the CPs).

▪ **COVER LETTER (Sep 25 by 17:30)**

CPs must submit a **cover letter** outlining their group's strengths and weaknesses and why they are a good fit for the project they wanted the most. Email this letter and weekly time schedule to the TAs.

▪ **PROJECT ASSIGNMENTS (on or about Sep 30)**

When the project assignments are finalized, each group will be assigned an academic advisor (AA) – who is a faculty member, a course coordinator (CC) and a teaching assistant (TA) – who is one of the assistants from the list above. The company providing the project will assign an Industrial Advisor (IA) overseeing the project at the company. Note that, a TA is responsible for course related issues like report collection, presentation organization, etc. They are also instrumental in giving you directions with respect to who to see, what to read in case you have a problem. Except highly unlikely situations, these assignments will not change throughout the academic year.

REPORTS, MEETINGS AND PRESENTATIONS

In this semester, you will submit two reports and have four meetings/presentations denoted in detail below.

All reports must be written using the $\text{\LaTeX}$ template available on the course web page and compiled using the $\text{\LaTeX}$ service on Hoboken (Links to Hoboken available on the Roadmap page of the web site). This service will provide you two links to be sent out to the parties noted below: Current version of the report you submit and a document that shows the changes you made on the previous version of this report with respect to the current version (called "Change Track" file). **Do not send pdf attachments to AA, CC and TA.** You may send a pdf attachment only to your IA, should your IA has trouble accessing the pdf documents via the link.

You are strongly advised to **use PowerPoint for your presentations** since you will submit pdf versions of the slides and there could be issues when slides prepared with other software are exported as pdf. Note that project fair presentations must be prepared using PowerPoint.

The below table contains the parties who should receive either the draft or the final version or both of these reports and presentations.

1. KICK-OFF MEETING (Participants: AA, IA, CC)

You will meet your IA and other company officials and will have an opportunity to discuss the scope of the project. It is vital that you gather necessary information about the project and the expectations of the company as this info will be your basis for the project proposal. Check out the document titled *Information on Kick-off Meeting* for details.

Tentative Date: Your TA will begin the process of scheduling for the Kick-off Meeting, which is expected to take place **after Oct 2 and not later than Oct 22**. Depending on the date you have your Kick-off, the deadlines of the project proposal report and the project proposal presentation will be determined. It is strongly recommended that you have your Kick-off meeting and hence your project proposal as early as possible since the calendar for the rest of the semester is very tight and the progress you will make until the end of the semester is crucial on the outcomes you will get next semester!

2. PROJECT PROPOSAL REPORT

Check out the document titled *Suggested Contents for the Project Proposal Report* as well as documents related to report writing and the report format available on course web page.

Draft Due: 14 days after your Kick-off Meeting (including Saturdays and Sundays).

Check out the document titled *Information on the Proposal Meeting and Presentation* for details.

Tentative Date: Your group's Proposal Meeting is expected to be in about 30 days after your Kick-off Meeting. Each group will receive a group-specific list of tentative dates once the Kick-off is over. **Two days before your finalized meeting date**, you should upload your presentation video along with your slides (both in original and pdf formats) as a separate file to the link provided via email

4. FIRST MEETING WITH COURSE COORDINATORS

Check out the document titled *Information on the First Coordinator Meeting and Presentation* for details.

Check the suggested content on the course web page. You will present this presentation live during your meeting.

Meeting: This will be a 20-minute meeting in English. Be prepared to answer questions as a group or individually as we might want to ask questions to specific students.

LANGUAGE OF COMMUNICATION All reports (except the cover pages in the booklet in spring semester) will be in English. All presentations to course coordinators will be in English except for the one at the end of the spring semester. However, presentations for the company officials (unless they ask for English) and the project fair presentation will be in Turkish. Therefore, you should have at least two group members who can present in Turkish.

UPLOAD AND RESERVATION GUIDELINES Check your project short-code from the course web site and include it in all filenames and reservation texts. Files with missing project short-codes will be rejected. For the optional **Bilwrite feedback**, use the **course code (IE 477)** and your **project's short-code** for your reservation.

PROJECT MANAGEMENT SYSTEM All project related tasks, task assignments, meeting minutes must be entered into the project management system. Check out the document titled *Information on the Project Management System* for details. (Project Management System is available at <https://project.ie.bilkent.edu.tr>)

PROFESSIONALISM Being organized and punctual are among the key success factors in this course. A sloppy report or presentation, being late to a meeting, or failing to meet the deadlines are things we will not tolerate. If we observe unprofessional behavior, this will be reflected to your group's or to your individual letter grade.

PERSONAL CONFLICTS If you observe any problems within the group related to communication, workload sharing, etc., you should try to resolve it yourself first. If unsuccessful, then you should consult as a group (all members) to Ms. Yeşim Gülseren or to your CC. Do not wait until the end of the semester.

GRADING Your group's final letter grade will be based on your performance in your project, reports, meetings and presentations. Note that, although this is a group work, group members may receive different letter grades. This is based on the feedback CCs will receive from your AA and IA, as well as CC's assessment of your individual or group performance. You may be questioned personally during the CC meetings. In addition, peer evaluation is a fundamental decision criterion in grading.

PEER EVALUATIONS Two peer evaluations will be performed during Fall semester (**Nov 19 and Dec 24**). Please be aware that peer evaluation is a part of the assessment criteria of this course.
